RENPOWER MEXICO - Renewable Energy & Power Infrastructure Investor Conference 2017

Proposed Program and Speaker Invitees

Please note that the speakers listed below have been invited, but not all of them are confirmed yet. The program will be updated with new speakers and speaker-sponsors in the coming weeks.

Thursday 17 August 2017 – Mexico City

08:15 – 09:00 Registration of participants, welcome coffee and networking

09:00 – 09:15 **OPENING KEYNOTE ADDRESS: Leonardo BELTRAN RODRIGUEZ, Deputy Secretary for Energy Planning and Transition, Ministry of Energy (SENER) of Mexico**

09:15 – 11:00 **Session 1: Insight into Mexico's renewable energy plan**

- Navigating the evolving Energy Reform (Reforma Energética) to increase renewables capacity
- Approaching the take-off of Mexico's untapped renewable energy potential
- Diversifying Mexico's energy mix
- First achievements of power auction system and Clean Energy Certificates (CLE's)
- Updates on the new model of this year's Third Power Auction and going forward
- Welcoming IPPs participation in Mexico's renewable market
- Strengthening the legal, regulatory and fiscal framework for the renewable energy sector
- Incentives and the evolving regulatory package under Article 40 of the Law of Corporate Income Tax
- Forging new opportunities in the Mexican clean energy market
- Panel Discussion and Q&A

Efraín VILLANUEVA ARCOS, General Director of Clean Energies,
Ministry of Energy (SENER) of Mexico

Guillermo Ignacio GARCIA ALCOCER, President,
Energy Regulatory Commission (CRE), Mexico

Erika SALAZAR SUGICH, Executive Director, PROMEXICO

Gabriela ELIZONDO AZUELA, Senior Energy Specialist,
World Bank, Washington D.C.

Magaly FLORES ARMENTA, Manager Renewable Energy,
Federal Electricity Commission (CFE), Mexico

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Law Firm or Consulting Company (available for sponsors)

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Developer (available for sponsors)

11:00 – 11:30 **Coffee break & networking**

11:30 – 13:00 **Session 2: Tapping into Mexico's clean energy technologies and energy efficiency development**

- Applying technological innovation for the production and consumption of electrical energy
- Meeting Mexico's ambitious renewable generation targets of 35% by 2024 and 50% by 2050
- Capitalizing on Mexico's location in the Solar Belt to become the next big solar market
- Roadmap for wind power to generate 60.3% of the national energy mix by 2025
- Promoting actions to increase energy efficiency and the use of renewable energy
- Offering a wide range of investment opportunities in wind and PV solar energy
- Exploring small and medium hydro potential in the country
- Evolution of local manufacturing hand in hand with renewable energy project development
- Strengthening of institutions to execute and enforce the Energy Reform
- Development and implementation of clean energy projects in Mexico
- Panel Discussion and Q&A

Moderator **Santiago CREUHERAS DÍAZ**, General Director of Energy Efficiency
and Sustainability, Ministry of Energy (SENER) of Mexico

Odón de BUEN RODRIGUEZ, Director, National
Commission for Efficient Energy Use (CONUEE), Mexico

RENPOWER MEXICO - Renewable Energy & Power Infrastructure Investor Conference 2017

Israel HURTADO, General Secretary,
Mexican Association of Photovoltaic Solar Energy (ASOLMEX)

Héctor J. TREVIÑO, Executive Director,
The Mexican Wind Power Association (AMDEE)

A SPEAKER FROM THE **PRIVATE SECTOR**
reserved for a Consulting Company (available for sponsors)

A SPEAKER FROM THE **PRIVATE SECTOR**
(available for sponsors)

13:00 – 14:00

Luncheon and networking

14:00 – 15:45

Session 3: Financing of Mexico's renewable energy projects

- Project's bankability and access to finance
- Providing long-term visibility to investors throughout the value chain
- Expanding access to finance for the sector through multilateral development banks and development aid agencies
- Green Bond framework
- Project financing and the increasing role of the private sector banking
- Alternative financing mechanism for small-scale solar photovoltaic (PV) projects
- PPP as a cost-effective way to fund renewable energy facilities
- Attracting investments into the country's electricity transmission and distribution
- Panel Discussion and Q&A

Arturo GOCHICOA ACOSTA, Deputy Director of Sustainable
Projects, Nacional Financiera (NAFIN - Development Bank of
Mexico)

Verónica ZAVALA LOMBARDI, Country Representative,
Inter-American Development Bank (IDB), Mexico

Helge JAHN, Director, KfW, Mexico

Andrés GARCIA-NOVEL, Principal Investment Officer,
Infrastructure Group, International Finance Corporation (IFC), Mexico

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Commercial Bank (available for sponsors)

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Law Firm or Consulting Company (available for sponsors)

15:45 – 16:15

Coffee break & networking

16:15 – 18:00

Session 4: Power infrastructure and electricity transmission

- Private sector to become a key driver of the development and construction of transmission lines
- The Comisión Federal de Electricidad (CFE) plans following the energy reform law
- CENACE's role in the regulation of the energy market and the planning and expansion of the grid
- Modernization of the country's grid to meet the rapid increase of electricity demand
- Improving the infrastructure for transmission lines in regions with wind development
- Addressing interconnection challenges to reap the benefits of a multi-gigawatt solar market
- Integrating renewable energy on the electric power grid to feed-in clean energy to isolated communities
- Panel Discussion and Q&A

Noé PEÑA SILVA, General Director, Transmission,
Federal Electricity Commission (CFE), Mexico

Nemorio GONZALEZ MEDINA, Director, Operation and Planning of
Systems, The National Energy Control Center (CENACE), Mexico

Jeff PAVLOVIC, Managing Director of Electric Industry
Coordination, Mexican Ministry of Energy (SENER)

Eric L. OLSON, Deputy Director of the Latin American Program and Senior
Advisor to the Mexico Institute, Woodrow Wilson Center, Washington DC

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Developer (available for sponsors)

A SPEAKER FROM THE **PRIVATE SECTOR**,
reserved for a Law Firm or Consulting Company (available for sponsors)

18:00 – 18:15

**CLOSING KEYNOTE ADDRESS: César Emiliano HERNÁNDEZ OCHOA, Deputy Secretary for Electricity,
Ministry of Energy (SENER) of Mexico**
